21. At approximately 4:51 p.m., Willoughby Hills Police Department K-9 Officer Shannon Vatchet was advised that **CRAMER**'s vehicle had left the residence located at [REDACTED] Spruce Trail, Apartment [REDACTED] Willoughby Hills, Ohio. From the intersection of Maplegrove and State Route 84, Officer Vatchet observed the suspect vehicle turn left out of Par Lane onto State Road 84. Officer Vatchet proceeded toward the vehicle, which was followed by DEA vehicles. Officer Vatchet observed the vehicle having blacked out windows and a rear license plate cover. Officer Vatchet followed as the vehicle turned right/north on Rockefeller Road. As the vehicle crossed over Euclid Avenue, Officer Vatchet was advised to make the traffic stop. At this point, Officer Vatchet, activated his emergency lights and conducted a traffic stop just south of Clayton Road.

22. Officer Vatchet quickly approached the vehicle on the passenger side and made contact with the operator, who was later identified as **Paul V. CRAMER**. Officer Vatchet was provided **CRAMER**'s Ohio Driver's license and asked **CRAMER** to step out of the vehicle. Officer Vatchet asked **CRAMER** where in Lake County and he stated that he was self-employed and the boss. Officer Vatchet then asked him again if he knew where his job site was located and then he looked at Officer Vatchet and stated that he was not working today. **CRAMER** was visibly shaking with a "white screen" look on his face, appearing physically drained. Officer Vatchet then disengaged the conversation and closed the door of the vehicle.

23. Officer Vatchet then brought Canine Razor out his kennel and on lead. Officer Vatchet introduced Razor to the suspect vehicle and gave him the command to search for narcotics. Razor and Officer Vatchet worked around the vehicle in a counter clockwise pattern. Officer Vatchet observed Razor alert with a change in breathing as he jumped up on the driver's door and he followed odor to the vehicle. Razor then indicated by sitting. Officer Vatchet rewarded Razor with a mild toned "Good Boy" and then they continued around the vehicle. Razor and Officer Vatchet came back to the driver's door and Razor again alerted and indicated to the presence of narcotics.

24. The Trooper and Officer Vatchet then began to search the vehicle. There were two cell phones on the front passenger seat and some white plastic bags on the rear seat. The white bags

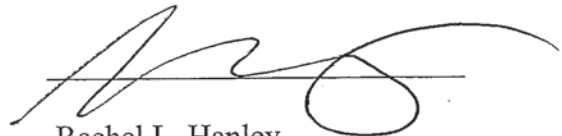

contained clothing and other personal items. Located in the vehicle's trunk was a Black and Decker box, which contained approximately a kilo size brick broken in half of suspected narcotics. The narcotics were later secured in the rear of Officer Vatchet's police vehicle. Officer Vatchet notified of a K-9 alert, narcotics located, and requested a tow of the vehicle to the scene.

25. **CRAMER** was then brought out of the Trooper's vehicle and Officer Vatchet placed him under arrest for possession of drugs. **CRAMER** was handcuffed and sat back in the vehicle. Officer Vatchet then advised **CRAMER** of his rights, which he stated he understood. Both **CRAMER** and the vehicle were brought to the Willoughby Hills Police Department for processing.

26. A short time later, Agents of the DEA arrived at the Willoughby Hills Police Department. At this time, Agents advised **CRAMER** of his rights. **CRAMER** stated that he did not want to answer any questions without the presence of an attorney.

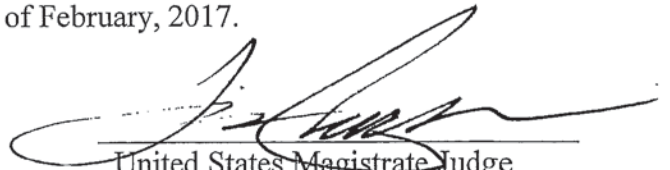

CONCLUSION

Based upon the above listed facts and circumstances, Affiant has probable cause to believe, and does believe that **Paul V. CRAMER** did knowingly possess with intent to distribute approximately one kilogram of cocaine, a Schedule II narcotic controlled substance, in the Northern District of Ohio, Eastern Division, in Violation of Title 21 USC 841. Affiant therefore requests that an Arrest Warrant be issued for **Paul V. CRAMER**.
